

Flokzu changes migrating v1 to v2 (Doctors)

We have made some changes to the system in preparation of the big launch date mid October, nothing big but you will now see that some of the form fields have been renamed in the Consultation tasks (as shown below).

Consultation Date

2025/09/30

Consultation Time

HH:mm:ss

Consultation

Is surgery required for this patient?

-

* Please update the Consultation status

-

Is surgery required for this patient?

Yes

* Which type of procedure?

-
